

## Canvas ACT-Art Candidate Screening Questionnaire

**Instructions:** Score a 1 if the client demonstrates this skill and score it 0 if the skill has not been observed or demonstrated in testing.

Utilize this questionnaire to assess for prerequisite skills necessary to benefit from the Canvas ACT-Art program. If they are scored a 0 for any of the following, determine if a more formal ABA intervention may be needed to develop prior to using Canvas ACT-Art.

<b>Date:</b>		<b>Assessor:</b>		<b>Client:</b>
